**“Mrs. Martinez's First Grade Newsletter”**

First grade worked on Thanksgiving activities. In Religion, we learned that the Church serves. We are called to serve as members of the Church. In Reading, the girls and boys studied sight words, wrote story summaries, and read about Thanksgiving. In Social Studies, the children studied about the Pilgrims and Indians, made turkeys for our Thanksgiving Meal, and finished our place mats. In Math, the children studied subtraction story problems.

**Please do not send backpacks on Monday and Tuesday of next week.** They do not need backpacks on those days. If you are eating the Tuesday Thanksgiving Meal with your child(ren) on the Primary Campus, please let the office know.

Hope all of you have a wonderful Thanksgiving with family and friends.

God Bless You,

Mrs. Martinez

**Remember:**

**Monday and Tuesday, November 23-24: No backpacks. No homework.**
