

“MRS. HILL'S NEWSLETTER”

August 28, 2008

Dear Parents,

We have had a very busy week. I have been trying to determine the reading levels of all the students. We have been busy learning and writing numbers 1-10. We learned letters of the alphabet through the letter “J.” We have memorized the jingles that go with each letter. They can recite each jingle. Mrs. Martinez is teaching the boys and girls about the “Creation.” They loved learning about this important event. We are studying living things in Science.

Please read the little books placed in the folders with the boys and girls. Spell the words, and sound out the words. They should spend about thirty minutes on homework. They have worked all day and do not need to spend a lot of time on homework. They need to rest and get ready for the next school day.

Thank you for all the help and support you have given me, the school, and the children. I want to thank Mrs. Rodriquez for donating such a beautiful Home Center to our classroom. The girls love playing in such a delightful Center.

UPCOMING EVENTS:

Monday, September 1—No School

Friday, September 5—Early Dismissal, Your child should be dropped off and picked up from the Elementary Campus (20 East Beauregard).
