

August 22, 2008

Dear Parents,

Welcome to ACS! The children have learned many exciting things this week.

In Religion, we are learning about "Creation." In Language Arts, "Welcome to School Books" were read, enjoyed, and discussed. I am assessing students' learning for Reading Groups and Math.

Scholastic book orders will be sent home on a monthly basis. If you wish to place an order, turn the order form in by the designated date with the check or money order made out to Scholastic. Do not send cash, please.

Our service project for the year will be to collect "Pennies for the Poor." Encourage the children to bring pennies for this worthy project.

We will be working on keeping our shirts tucked in; reinforcement from home will be greatly appreciated.

God Bless You,

Mrs. Martinez
